

Camera

Applies to

- Any type of event that requires professional recording
- Any type of event that requires a single camera closed circuit
- For example : trainings, inaugurations, corporate events, weddings, speeches, cocktails

Description

Standard, this package includes a cameraman and a professional camera.

Two options are available : on the one hand a soundman with a sound kit (to increase the quality of the sound recording) , and on the other hand postproduction services.
