

Medium Video

Applies to

- Medium-sized events that require visual support
- Expos and trade fairs
- Trainings
- Audiences from 25 to 200 people
- Preferably for interior use or for spaces with controlled ambient luminosity

Description

Standard, this package includes a 2500 Lumens videoprojector and a projection screen. Additionally, it includes a DVD player as well as a very user-friendly video mixer that will allow you to switch between the different video signals : your computer(s) (powerpoint, quicktime,...), the DVD player and any other signal that you may wish to connect (e.g. camera).

* Note : computer is not included in package.

Optionally, we propose an upgrade to a brighter XGA projector (6000 Lumens instead of 2500 Lumens).
