

Small Lights

Applies to

- Any event that requires a touch of atmospheric lighting, for example : to illuminate a speaker and/or an object
- Smaller dancing parties

Description

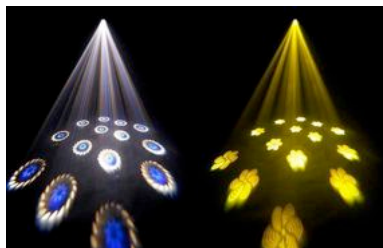

Standard, this package includes 8 energy-efficient, professional, *plug-and-play* LED spotlights, which can be plugged into any normal building electrical installation, and which can be installed either on the floor or in a hanging position.

Those lights :

- can take any color you like.
- have an auto-rhythmic mode, i.e. : they can be programmed to flash along with the rhythm of the music.

Optionally, two additional *plug-and-play* effect lights and a fog machine to add excitement on the dance floor.
