

## Small Video

### Applies to

- Presentations or speeches that require visual support
- Small business meetings
- Expos and trade fairs
- Trainings
- Preferably for interior use or for spaces with controlled ambient luminosity

### Description

**Standard**, the first alternative within this package includes a 2500 Lumens videoprojector and a projection screen. For the second alternative, a 46" full-HD LED flatscreen with stereo loudspeakers is proposed.

**Optionally**, we propose a design stand to raise the flat screen or the videoprojector to a height of 180 cm.
